

## QUALITY POLICY

---

It is one of the core aims of the company to fully satisfy its customers by providing consistent quality of product and service in a professional and efficient manner, on time and at an agreed cost.

In order to achieve this, J. McCann & Co (Nottm) Ltd have an externally assessed Management System in place that complies with the requirements of ISO 9001:2008 and National Highways Sector Schemes for Quality Management in Highway Works 8 to which all employees must adhere.

The aim of the Quality Management System is to ensure all quality related activities are planned and resourced in a consistent way so that all customer and legal requirements are met in the most efficient and effective manner possible.

The framework of the Quality Management System also plans for continual improvement of the system, the overall performance of the company and therefore customer satisfaction. As part of this framework we have established quality objectives which are reviewed and communicated to all employees.
